“ We would like for David's (Dave's) family to know that he was greatly appreciated. My son Tommy was employed at Kehe because Dave was willing to hire "outside of the box". Dave also allowed him to come into his office everyday to get a snack and a drink that he provided for him. I think these actions show us what kind of man he was. We are so very sorry for your loss. The world would be a better place if we had more Dave's! Love the Baugh family

Al and I were sad to hear of David's passing. He was a good husband, father, and friend. His quick sense of humor and pranks helped the crew at the Wil-o-Paw Inn get through many busy nights. Thoughts and prayers to Sylvia and family.

I had the opportunity to work with Dave for 7 years at the Tree of Life Facility in Bloomington. What an extraordinary leader and mentor. No one modeled a commitment to work excellence better and he did it well - Family though was his true passion and love and I learned a great deal in watching the way he managed both so effectively. One of our families best memories is the way he would keep change in his desk - my youngest daughter knew every time she got to see Dad at work she would also get to gather a treasure from Mr. Boyer - wonderful memory and a lasting impression of remembering what was important. Thanks David. Rob Norris and Family.
