“ *Dave showed such kindness to me when we lost our dog and he spent hours driving the neighborhood looking for our beloved Quila. I didn't really know Dave, only of him through my friend Barbara. I will always remember that act of kindness and carrying. My heart hurts for your loss, Barbara.*

*Much love
Heidi*

I met David through my dear friend, Barbara, his wife. We have enjoyed special times w/ them. Dave introduced us to Gulf Shores and it has been our go to place most winters. We like to refer to Dave as 'Dapper David!' He always looked great... even just walking Henry! Dave will be missed by many. RIP, David. Love from your Cicero friends, Pete & Kathleen
