

## David K. Beard

January 1, 1753 - April 12, 2013

David K. Beard age 55 of Bloomington passed away at his residence Friday April 12, 2013. He was born August 16, 1957 in Bloomington to Ollie Beard Jr. and Patricia Hankins Beard Lanie.

David was a 1975 graduate of Bloomington High School North and worked as a machinist with Motor Service for 15 years. He will always be remembered for his love of anything to do with the outdoors and that he was an avid reader but mostly he will be remembered by family and friends as the generous and kind hearted soul that he was.

David leaves behind his mother Patricia Ann (Beard) Lanie and her husband Jerry; sisters Cynthia LeBouf, Julie Arthur and Amy Beard of Bloomington, and brother Steve Beard and his wife Ann also of Bloomington. He is also survived by niece Diana Thomas and her husband Adrian of Ellettsville, and great nieces Myah, Carmen, and Aryanna Thomas. He was preceded in death by his father.

The family has requested that memorial contributions may be made in David's memory to the Owen County Humane Society.

Allen Funeral Home 4155 South Old Highway 37 is handling the arrangements and online condolences may be sent to the family at [www.allenfuneralhome.org](http://www.allenfuneralhome.org).

“ I wanted to say I was very sad to hear that David had passed away, we met at Arlington School in the 6th grade. Became friends along with Steve Bay. We all ran together and had some great memories. David and I had some great high school times together, and I spent a lot of time at his house. Just wanted to say David was a very fine man, and a great friend from years ago. We both were the class of 1975 BHSN. R.I.P David.

“ David was with tabatha and I knew her daughter Rachel so I was over there a lot David wasn't just an old guy I knew he was my best friend someone who could show me how it takes time to become a great man. I would call him just to talk and have an everyday conversation with. I can say now that i know how it feels to have a person that means a lot to you just leave like that. I hope there's someway I get to see him one day on the other side. David had a great personality and he was always positive. There wasn't one thing he wouldn't do for anybody. I can Admit it, he should of had someone there to help him stop his habit but I hoped and wished he would stop on his own because I know he's a very wise man. I can say I love him cuz I do. I love you David beard I wish I got to tell you how much you meant to me before you disappeared out of my life. I hope you can rest in peace bestfriend. Wether it's soon or many years from now I'll see you above the clouds where we have no worries in the world in to his family I'm dearly sorry. Not being really close to him it hurt and I can imagine how it feels to you all I hope you are okay and I'm sorry this had to happen to your very own David. Again I'm sorry
