“ Grateful for his service to God, family and country. David was a smart, fun loving guy. I remember so much but when I was visiting him in his home he was reading the newspaper and the pages wouldn't turn he blew on them problem solved. Never knew to do that but everytime I do that I think of him. He will be missed and loved for ever.

“ So sorry to hear of David's passing. Although I don't remember David, I am Harlan's granddaughter. My father, Clovis had the same middle name of David (Earl). There are not many of the Lake family left anymore. I remember Grandma (Clara) and Grandpa (Harlan) speaking of Everett when I was little. Please know you are in our thoughts and prayers.
