His interest began as a young boy at the family cottage in Wisconsin and continued at Lake Cumberland, KY, where he enjoyed boating with family and friends. Dave was also a skilled craftsman and showcased his talents through many remodeling projects in his various homes over the years.

Dave was preceded in death by his paternal grandmother, Agnes Neumann, and his maternal grandparents, Joseph Labeledz and Helen Platson.

“ Dave, while a C.A.C.I. employee, provided excellent, meaningful support to the EA-6B/ALQ-99 program at NSWC Crane for a number of years. Always had a great outlook, solid and humorous approach to program issues, needs and results. Rolly hated to see he passed away at such a young age. He was doing what he really enjoyed, motorcycling (I'm one of those also, only with a trike). May he find new roads to ride.

“ *Nuemann.....we will miss you so much! You called me “Trishy” and I loved it. I’ll miss waking up to you “fussing” with your new boat across from us on Saturday mornings. I was always happier when you and Pookie were down at GH with us, for the weekend. When I think of you I always smile. I hope you found my mom in heaven!
