“ Terrible news for me. I miss Tire and Wheel and since Dave sold it I have always hoped to run into Dave and mess with him, and be messed with back. I trust he is in a better place, pushing the limits teasing the angels. Rest in Peace!

“ Because of his close friendship with my dad I literally can not remember a time before I knew Fuzz and he was unfailingly one of the most fun & funny characters I've ever had the pleasure of knowing well. He was so loved and will be so missed by so many.

“ Dave was a great businessman. I cannot think of another business where I enjoyed spending lots of money more than Dave's Tire and Wheel. He made me and every customer feel like we were his favorite. I have missed that from his retirement, there just was no one like him in the business! My condolences to his family. Kevin Luers

“ Linda and family, I want to extend my deepest sympathy to all of you. My heart aches for you having gone through this myself less than a year ago. David was an unforgettable and nice man and he will surely be missed by all who were fortunate enough to have known him.

“ I am stunned and saddened to learn of Dave's passing. Dave, Linda and the girls were wonderful neighbors to me several years ago. Such a warm, supportive family. Dave always had a big smile and a terrible joke to share. My heartfelt prayers and sympathy go out to Linda, Brooke and Susan.
Rest easy Dave, the world is not quite as bright without you in it.
Heaven must have needed some cheering up.

“ I have met very few people that I loved and respected as much as Dave. He took such care of my Monroe County Bank Vehicles that a really old gmc van still runs as good as new!
They seldom make people and old vans like that anymore. He will be sorely missed.
