

David Coller

April 1, 1985 - October 29, 2009

David Coller, of Bloomington, Indiana passed away after a short and sudden illness on October 29, 2009. David inherited his father's love of sports of all kinds. In fact, his first word spoken as a baby was "ball". He developed quite a shot from the free-throw line then moved on to master many other sports including football. His love of sports was never-ending. He was a devoted fan for many teams. As a teenager, David would spend the summer on the water in Canada fishing for Walleye and in fall he would hunt for deer in Indiana. His humor, resilience, determination and never give up outlook allowed him to live a life full of zeal and never ending enthusiasm. David was attending school at Ivy Tech in Bloomington, was well-known for his love of family, music, travel, animals, life long friends, immense embracing hugs, and a tender loving heart. David, may you find loving peace in the arms of the angels, you will be greatly missed. David is survived by his grandmother Rosalea Johnson of Bloomington; father and stepmother Donald and Patricia Anne Coller of Bloomington; two sisters Virginia Vicory of Atlanta and Maribeth Coller of Bloomington; two brothers Ben Coller and Matthew Coller both of Bloomington, one aunt Maryanne Olsen; one uncle David Coller of Bloomington; any many nieces and nephews. He was preceded in death by his mother Susan (Johnson) Coller, and grandparents Ruth Winifred and Maynard Coller. Services will be held 10:00 a.m. Monday at Allen Funeral Home with Earl Piper officiating. Burial will be at Valhalla Memory Gardens. Visitation will be from 4-6 Sunday at the funeral home. In lieu of flowers donations can be

made to the Monroe County Humane Society. Online condolences may be sent to the family at www.allenfuneralhome.org.

“ I'm really sorry to hear about David. I worked with David for a long time over at Kirby. We butted heads alot at work (nothing serious!), but we had a great respect for each other. It's so sad to see people pass on so early, but it's comforting knowing that he is in a better place now. Best of wishes!

“ Dear Don & family....we were very shocked and saddened to read of David's death. We knew David from Montessori, which he attended at the same time as our son Jamie. Jamie remembers happy times in class and at birthday parties with David.

Our hearts and thoughts are with you and your family. God bless and strengthen you all at this sad time.

“ Don and Family, So sorry to read of David's passing. My heart certainly goes out to your spirit today. The last time I talked to you was at the Hsp. while my son was on dialysis awaiting a transplant. He was fortunate to recieve a double transplant but, lost his life to a Hospital "bug" 9 mo later. David was taken too soon..... Love to you and your family.....Iva
