“ Hi. I am sorry for your loss. I met Dean when we both worked for Otis in Farmington CT. He was a stand up guy who was very highly regraded as an elevator designer and he always had a kind word for everyone. I got to see him a few more times when I went To Otis, Bloomington. My thoughts are with you during this difficult time.

I want to pass on my condolences to you all. I worked with Dean when he was at Otis in Farmington CT. I always found him to be a very good and upbeat person. Sorry to hear of your loss.

I also wanted to say that I have an idea of what you have gone through the past 6 years, as I have a sister who has been living with ALS for 23 years.
