“ Deborah was my best friend from the fourth through the eighth grade at Royerton School outside Muncie. She was the prettiest little girl at the school, and might have been the smartest, as well. We spent endless hours together in our Hamilton Park neighborhood, and we laughed all the time because she was a natural comic. We also sang together a lot. I moved to Fort Wayne as high school began for us, but Deborah's friendship remained most important to me. Over the years we have reconnected several times in Nashville and Bloomington, and we even did a day trip to Hamilton Park a few years ago. I have always loved Deb, and I am very sad that we have not spent time together recently. My condolences to Jared, Kevin and Randy.

“ My dear Debby's family. We grew up across the street from each other in Hamilton Park. I watched her grow from a little girl to a teenager. I have many pictures and memories of our early years. My thoughts and prayers are with you all.  
Love, Debby

“ *Debby was my best friend at Royerton High School. We lived one house apart and spent all of our time together. Over the years, we talked on the phone only once. I will forever miss her and wish I could have spent time with her in our "adult years". Love you, Deb!!!*
