“ So deeply sorry to hear of debs passing. Deb had such a big heart We remember when our son was very sick Deb was one of the first ones to step up and have a benefit for him to help with medical expenses and she was always there for us when we needed her. Tragically we lost our beautiful niece Nicole on the 18th of march but find comfort in knowing that Deb is there with her in heaven looking out for her and knowing that we will be with them again. Our thoughts and prayers are with your family. Rest in peace Deb. We love you.

“ I am so sorry and sad to see this has happened. Debbie and I went to school together. I remember when her Uncle Floyd was lost in Bloomington, and alot of people along with Debbie and I were right out there looking and praying for his return. Debbie had a very caring heart and she will be missed.

My thoughts and prayers go out to each and every family member.
