“ What great memories I have of us playing softball and volleyball ---
seems like just the other day! We had so much fun and laughed
tons. But intense, intense, intense -- in winning but especially losing,
she was going to give it her all and not hold back. She was always a
team player and always encouraging to every teammate. She made
you believe you could hit that ball past the pitcher. She never made
fun of my nervousness but with all seriousness she always guarded
the door for me --- some of you know what door I mean. I love her
and know she's asking the Lord what the game plan is --- no
bleachers for her. Love, Hugs and Prayers to you Coach Bobby and

“ Dear Donna, Bobby and Pam,
I am so sorry to hear of Debbie's death. Our childhood memories seem only like yesterday. although time and distance kept us apart I have often thought of Debbie and Pam and reminisced about our good times growing up together as "Best Friends" riding bikes, swimming and all the sleep overs at your house, etc. I will cherish my memories forever. Debbie was such a wonderful person and loved by many. My thoughts and prayers will be with you and the family during this difficult time. God bless

“ I rode the Homecoming truck with Debbie and other Alumni on Friday night, October 16 at IU. I was so glad to see her and the 3 other mellophones. Debbie saw that I was tossing out dozens of Cracker Jack boxes along the parade route, and she asked for a box.

I waited until after the parade, when we were unloading the parade truck at the Fieldhouse. I handed her the one saved box. Her eyes lit up. She was so appreciative of the gesture.

My thoughts are with you during this difficult time. Debbie was a great musician and a terrific Alumni Band member.

May your heart be filled with her love and affection, always.

“ Bobby and Donna and family, There are no words to say how sorry Mike and I are about Debbie's passing. She was so kind to me when I called her a few years ago about help with interstitial cystitis that we both suffered from. I can not imagine the pain but know that so many people love you and are praying for your family. God Bless You, Nancy and Mike Patton

“ I went to school and played ball with Debbie. It has been years since I have seen Deb, but there are a couple of things I remember the most about her. First of all she was a very fun person to be around. Her personality was always bright and energetic. Second you didn't want to be on the receiving end of her throws on the softball field. :) My prayers go out to her entire family. Debbie will be sadly missed.

“ Dear Bobby, Donna and Pam....I am so sorry for your loss. Kelly, Greg and I were at the funeral home making John's arrangements when he told us he had just finished arrangements for you concerning Debbie. We were shocked. I keep remembering the day all of you were at our house celebrating the 1st walk on the moon. Our kids were all so small they didn't seem to care but we loved it, didn't we? Please know how much we care and sympathize with your loss. Nancy Doane

We will be praying for you and the strength it takes to go on with life.

Dear Isaac,
Your Mommy loved you SO much and loved to tell everyone how very special you are. Please know that she will continue to love you from her place in heaven.

“ *Debbie was a great friend and great horn player. She was devoted to the band program at IU and her presence and contributions will be terribly missed. I am so sorry for her sudden departure. I am glad that she is now happy with Heather and pain free. May God's peace and love find a resting place in the hearts of those of us who will grieve her absence. Heaven surely has some awesome brass performances going on with a fine Marching Hundred trio of Heather, Carolyn and Debbie. I'm sorry Debbie that I didn't stay in touch with you over the years after IU. - Vickie Marshall*
