“ To my dear friend DeeAnn Shaw Israel

I didn't have the opportunity to write you a letter before you passed - only a week after I saw you. I knew you weren't doing well, but I didn't expect that so soon after. I'm so glad I got to visit you and help you out with a few things while I was there. I hope you were comfortable when I left I felt uncomfortable leaving you. I told you I loved you and you told me back. I still love you and I'm missing you terribly. My heart is grieving for you, but I hope you're resting in peace girlfriend! Forever in my heart!

“ *DeeAnn was my step sister, but i considered my sister, when we were younger we would joke around and sometimes fight, but it was in a funny way!! i know she's been through a lot of hurts and pains in her life, and i'm sorry i didn't spend more time with her growing up, but for some reason we grew apart, i'll always remember laugh and caring heart for animals and nature!! again we may have been step brother and sister, but she'll always be my sister to me!!! Love Ya Sis!!*

“ *DeeAnne Shaw was the first person I met when we moved into the neighborhood of Washington Street and Hillside Drive uptown. This move took place when I was getting ready to begin the 5th grade.*

She became my best friend immediately.

She made me feel welcome and introduced me to other neighborhood children..

I was so blessed to have a wonderful friend she made sure this new kid on the block never felt alone.

I will forever miss my sister DeeAnne. There are so many other things to say but I really do not want to let all of our secrets out of the bag somethings just need to remain between best friends.

God has took home another Angel. Happiness and Joy to you my best and dearest friend and Sister.
