“ *I loved my mamaw so much with so many memories I literally lived with here for like half of my life. We all know she isn't here but deep down she is in all of our hearts*

Joshua roberts/ Boo - October 10, 2017 at 11:53 AM

TC

Boo your mamaw loved you and Bella with all of heart and cried everyday to see you I have pictures for u both and things she bought for u and sissy

“ *It's been awhile since we have seen Dee Dee. I believe it was at Kenney's burial. She has always made us feel welcome around her and easy to talk to. We will always hold a special place in our hearts for Dee Dee. We have and will continue to pray for the family. We just heard that her burial is tomorrow, We both have to work, we wish we could have stopped by to give our condolences to the family.*
