“ Shirley, Bev, Mark and Family, we are so sorry to hear of your loss. Lori and I have fond memories of visits to your home years ago. I had the opportunity to talk at length with Delbert sitting by the wood burning stove in the basement. He would keep me entertained while the ladies were working on floral creations. I enjoyed listening to his stories then. I'm sure he had many more to tell since we last saw him and those are stories that will live in your hearts forever. He will be missed by many here on Earth, but may God's Peace heal your wounds knowing that you will one day be reunited. All of our love and prayers, John and Lori

“ Dear Shirley and Barbara and family,
We both have such good memories of this wonderful, lifelong friend. Don is grief stricken at losing the great buddy he grew up with in Hendricksville. Janis remembers the fun we had in high school especially with the basketball adventures. Although we are a thousand miles away in Florida right now, and cannot be with you in person, our hearts and prayers are with you.

“ I worked at Westinghouse/ABB with Delbert for many years. He was a good, kind man that I admired. I am saddened at his passing, and believe he is now reaping his reward for leading a sound Christian life. His passing is a loss to us all.
