“ Dear Phyllis, Connie, Jon, Heather, and Jordyn:
My heart and prayers go out to you with sincere love and support. Dennis was such a wonderful man, devoted, dedicated, and loving (at all times) to his family and friends. I can never recall a time at your home that felt like I was intruding or unwanted. I remember the last time I spoke with Dennis, sitting at the dining room table, he had just got released from the hospital and we brought a plate a food to Jon from my mother's. I have had some struggles, with my studies, but Dennis told me that day that I could do it. He will be my strength, because when I come to a time that I think that there is no way to carry on, I will remember ALL that he went through with his cancer and also that he believed in me. I love you All so dearly and I am praying for you.
Love and Prayers,
Alice
