

Dewa Nimbo

April 1, 2025

April 1, 2025, the world of Mongolian culture, linguistics, and literature suffered a profound and irreplaceable loss. Dewa Nimbo passed away at the age of 82. With her departure, a full chapter of cultural and intellectual history came to a close. Yet, her memory continues to shine in the hearts of all who knew, respected, and loved her — and in the enduring light of her books.

She immigrated to the United States in the 1960, became a university student, and completed her master's degree (uncommon at the time). She was a doctoral student. She became a published author with her work *Oral History of the Mongols*.

Hers was not merely a life of academic pursuit. It was a life devoted to embodying and transmitting language, culture, and ancestral wisdom with heart and soul.

Allen Funeral Home and Crematory has been entrusted with the arrangements and online condolences, photos and memories may be shared with family and friends at www.allencares.com
