“ Dear Cindy and Family,

Please accept my sincere condolences and sympathy. No words are ever enough to totally soften such a loss. Do know, however, that I am thinking of you ALL and hope each of you are able to dwell on the wonderfully warm moments of the past.

Sincerely, Bill Dickens

“ *I loved Diane very much and have missed her so much since she left Warsaw. I lived across the street from her and Jerry since 1993. John and I adored both of them. It has never been the same without them. Diane was a wonderful person. She had such a sense of humor. She loved God and she loved her family very much. She talked about all of you and I tried to keep everyone straight. Diane was very special to me as was Jerry. My delight is that they are now together again and forever in heaven. Please accept my condolences on the loss of this lovely lady.*

*With much love,
Nancy Corl*
