“ *Dianna was a friend since around 3rd grade (the year we both started attending Eastern). We had many sleepovers, especially in our adolescent and teen years. Dianna was a guest book attendant and server at my wedding. Fortunately, our friendship carried over into adulthood.*

She was an active member of the Eastern High School class of 1971, coming to most every reunion or informal luncheon that we planned. She will be sadly missed by her classmates/lifelong friends.

It was obvious how very much Dianna loved her family. She spoke of her family members openly and frequently when we gathered. You were a special treasure, dear friend. Nancy Clensy

“ I first met Diana through the Indiana Stitchers Group. I lived in Carmel, but traveled occasionally to Fancy Works for events and Trunk Shows. We also always talked at various needlework markets. She always had a smile and a hug waiting and then got down to business! I loved that! She will be missed in our industry for sure! Sending hugs and prayers to all who knew her much better than me💕💕🙏🙏

“ *Dianna was so keen and caring of everyone she met...a tireless volunteer at the County Fair as the Needle Arts department. Her daughters were right with her helping and included one our daughters to go play at their house due to her allergies each year when she was younger...when I couldn't be home with her. She will be missed by many and each time I cross stitch I will think of her fondly💕💕*

“ Sending my sincere sympathy to Dianna's family. May you find strength in your memories of your wonderful Daughter, Sister, Wife, Mother, or Grandmother. She loved all of you so very much. She shared many wonderful stories with me about the family.

I met Dianna many many years ago. We were both members of the Embroiderers Guild. Dianna has been a treasured member of the Chapter, as well as a good friend. She has always been very kind to all of us and willing to help find what we need for projects. I will miss her very much, as will all our members.

“ *First met Dianna when our kids went to the same school so have known her for many years. I liked her from the first day I met her, she was always so nice, kind, willing to help me with anything and answer my questions. When she opened Fancy Works I learned a lot about cross-stitching, fabrics, fibers, etc. I had done some cross stitching but only with kits so seeing what was available at the store was like a whole new world opening up for me and Dianna was there to help me all the way. I will miss my dear friend and will always remember her.*
