She took me under her wing, as she did many of the "newbies", d taught us so much. We would have a "kitty" that we paid into every week and when we had enough savedcshe would take us to various restaurants and dinner theatres. “ *Phill,
Sadden to read that Dolores (MM2) passed away. We shared many nights at the auction hall, she scribing and I cashier. She taught me so much on antiques and ebay that one day she was getting after me and I said "OK Mom" and her name after that became MM2! I will miss her. I am sure she and George are traveling around in antique alley of heaven.*
