“ *Don spoke at our church on a regular basis, and we always looked forward to his visits. He was never short of laughter and love. He reminded us of the power of words, of actions, and of thought. He always encouraged us to be our very best and to enjoy the beauty of our world around us. I will miss him intensely, but am comforted in knowing he is whole and at peace. Much, much love to you, Ron. God bless.*

“ Donald was my cousin on my mothers side, Aunt Dorothy. We were all very close and always together in our younger days. More like brothers and sisters. Donald could keep us laughing for hours and then he would be in trouble with his best friend (Marty) my brother a few hours later.

Buddy and David were our baby sitters, I can still remember the ketchup and mustard battle we had in their basement, Buddy and David were suppose to be watching us younger ones.

We miss our Leanhart cousins and pray for the family they left behind, but again our childhood memories will always be with us and we still laugh today as we did then. Cousin Donna and McCue Family
