“ I want to extend my Sincere Condolences to The Family of Don Stone. My Uncle, Glen Quillen, was also a Police Officer and when I was young, Don (as well as other officers) would come by our house for Lunch on Sundays with Uncle Glen. I always enjoyed having him at our house and as a child, knowing a Police Officer, as a friend was thrilling and an honor. He was such a nice man. When they would come in the door, they would (out of respect) remove their guns and leave them at the door in the living room. :) Just a good memory ! We have lost a lot of Really Good Police Officers from Yesteryear !
He will be missed, and always a good memory for me.

“ To Don's family,

I work at the Monroe County YMCA and would visit with Don when he would come in to life weights and ride a stationary bike outside my office door. We had nearly daily talks while he rode the bike and shared memories of his beloved Marlene. He was proud of his time with the police department, he loved his children, and cherished his wife. He even wrote out 2 of his favorite recipes for me that Marlene would make for him. I still make her vegetable soup and Marengo Chicken and think of Don. I enjoyed my friendship with him and will miss him. My sympathies are with you all in Don's passing.

“ I can not make it to the services today, however I wish to extend my condolences to the family of My Good Friend Don.

The only circumstance that keeps me off the Golf Course will keep me from attending the send-off for Don. I had planned on attending, however the weather keeps me in.

May the wind below Don's wings take him directly to the Mansion of his beloved wife Marlene, as I know he prayed for that.

With sorrow,

Lou Bailey

“ *Don was great friends with my husband Phil Carter. They were golfing and fishing buddies for years. But, according to Don, I was named after him! His mom Elsie and his grandmother Leafy Buskirk were great friends with my grandmother, Nellie Burch. Rest in Peace, Don. We will miss you!*
