“ *So sad.... almost speechless! I just saw u, u stopped by the house...needed your motorcycle fixed had a short nice visit. You met my Dad & noticed his ring..he thought you were so nice after just meeting you. And we agreed Mark would fix your bike in 2 weeks and now your gone forever. Makes me stop and think how precious life is. That day you looked different to me...maybe pale. not sure what it was but I ask if you had lost weight, you said no and chuckled. Then we talked some more and you left... never to see you again. Unreal!*

Well I know you rode that motorcycle up those heavenly stairs and was welcomed by your family and probably all kinds of animals you had in the past. You were a very nice friend. I am so sorry you had to go way to soon. You will be missed Don..by so many and Mark and I lost a good friend.
