“ Dear Friend Nancy and your family. Please know how sorry we are to hear of Don's passing. He was kind, sincere--a gentleman. I was always so glad when he helped me at the store. We are thinking of you.

“ Diane and the Richardson family. I am so sorry to hear of your loss. Noting that IU Hospice was involved, I am guessing that cancer was involved. Early April, Carl, my husband, died from stage four cancer--it all happened so fast. So, I can appreciate your sorrows. Diane, I can't believe how much you look like your Dad. I am sorry I just saw this and couldn't be with you to share in his celebration of life. Please accept my condolences and if you need to talk, Diane, please call--I'm in the phone book.
