“ Don Robinson was a wonderful person, I got the chance to him quite well during his stay at the Richard I Roudebush VA medical center. I always enjoyed talking with him and taking care of him through his battle with Cancer. He was a strong man and determined to fight as long as he could. He will be missed on 8 North and he will always be a part of our family We love you Pat!!!! Melony Burdine

“ Pat and family, we are moved with heartache to hear about Pastor Robinson's passing. He was such a good mentor to us in ministry. His work will continue in AZ. We love you and miss you. Memories we keep close: staff outings, dinners, and times we spent together at Bob Evans.

“ *Dear Pat
Your husband was a wonderful Christian man and I count it a joy to have called him my friend.
We will be praying for you Pat. I know the days to come will be hard and if you need to chat or play "WORDS" I am here. He is in Heaven and Jose and I look forward to the day that we can see him again. He is running all over the place I imagine and then He sits at the Feet of Christ.*

“ *Pastor was such a wonderful man and he meant a lot to me. I do not feel he "lost" his battle with cancer, but rather, he won the battle. He is now rejoicing. It is those of us here that are grieving the loss of such a wonderful person. He will always be remembered because he has touched the lives of so many. I take comfort in the fact that he is no longer suffering and no longer miserable but living where we all should want to be.*

Love you, so much, Mrs. Pat...

“ *What a great man of God he was! I have never witnessed anyone having as much faith as this man did. Even in his last days he always had concern for others and wanted to tell them all about Jesus! He is the greatest Pastor I have ever had the privilege to sit under his preaching. For the past 19 years, he has always been there for my family, in times of the births of my children or any other joyous occasion to celebrate with us. And in times of sickness or death in the family, to grieve with us and comfort us. I continue to pray for Pat, his dear wife whom I love dearly, and his two sons, Ben & Brandon and their families during this time when they have to say so long to their loved one here on earth. But knowing they will see him again in Heaven one day. Although it is a sad occasion for us who are left here to go on without him, we celebrate the fact that he is with his Lord at this very moment. This is such a comfort to us now! He will be greatly missed!*
