“ *Donnia was our school bus driver for many years. Always welcomed us aboard with a warm smile, asked us how we were doing and allowed us to unwind at the end of a long school day. I have lived all over the world and few people I meet ever had the kind of caring and supportive community as we did in Bloomington. I doubt many remember their bus driver from elementary & middle school. I do. That speaks volumes about the kind of person Donnia was and the key role she played in so many of our lives at such a key point in our young lives.*

*My family and I send our best to your family and please know that your Mom and Grandma had a far reaching impact.*

*Best wishes,  
Erik Coyne*
