“ *As I read the obituary for Mrs Summitt, I was touched by the outstanding and full life she lived. Never-the-less, 83 years of life is still much too short. How thankful we are that our grand Creator, Jehovah plans to restore his original purpose and make it possible for all mankind (including our loved ones we have lost in death) to live forever under perfect conditions. (Matthew 6:10; Job 14:14 & 15). Please accept my condolences as you deal with the loss of Mrs Summitt and contemplate the hope of seeing her once again*
