“ Marcene was like my own grandma. When we were younger I would go over with Rick or Travis and she was just an awesome person. Always asked if we were hungry like a true grandma. I have missed her with me being in Ohio so I know she will be missed greatly. The whole family is in my prayers. Love you all. Wish I could be there.

“ To the family,  
Our prayers and condolences are with you during this time. Marcene was a beautiful person, she and Ralph reach out to me during a pivotal time in my life. My mind reflects on the laughs, horse rides, and the midnight creek runs to catch a fish. Blessing to all.

“ *The first time I met Marcene was way back in 1958. Russ & I were invited by her and Ralph to their home at Cascades Park. The minute I laid eyes on this beautiful lady, I knew God had laid a blessing across my path. She instantly made me feel welcome. The Light of God was shining all over her lovely face. She was so loving and kind to me, I knew right off it was going to be so easy to love her and I did. The more we were together....the more my love grew for her. There isn't time or space to share all the wonderful times we spent together, but the one most precious of all to me was she was there with me when I received the Holy Ghost at the little country church of Sanders. She was such an encouragement in the Lord to me and I so look forward to seeing her in Heaven again, soon. May God wrap His wonderful arms around her husband, Jack, and all her wonderful children and grandchildren. Comfort, love & prayers to all the family.*
