“ *Jim & Dorothy were our neighbors for years. We lost contact with Dorothy after she moved to Bloomington, but we all wondered how this special lady was who touched our lives in a beautiful way. She was more like family to me & my children. She told us lots of stories of her childhood & we would think of her every year on her birthday April 8. We love & have missed you Dorothy. Thank you for the impact you had in our lives. Bonnie, Jamie, Charles & Jonathon.*

*I am so great full for having the pleasure of meeting you and your family. Although we only met once, the love that you and your family showed me is unmeasurable. Brad and I have been married for 37 years and in one visit you made me feel a part of your family. Over the past several years we shared Grandma Watson*
