“ Although I did not know you dear loved one, I saw the obituary online and wanted to send you my condolences. This is a very difficult time for your family. Something that has always given me comfort is a scripture at Revelation 21:4. It says: "and he will wipe out every tear from their eyes, and death will be no mor, neither will mourning, nor outcry nor pain be anymore. The former things have passed away. " I sincerely hope this brings you comfort
