“ To Debbie, Buck and Randy,

I wanted to send my condolences in the passing of your father. I was so sad to see that in the paper today. I meet your dad several years ago when I was his physical therapist at the YMCA. I was fortunate to continue to get to talk with him through the years on a regular basis during his trips to the YMCA. Your father was a sweet and gentle man. I really liked him and he inspired me by his determination to stay as active as he could so that he could continue to do the things he enjoyed so much such as spending time with his family and gardening. I will hold dear seeing him just recently and the smile that he always gave me. My deepest sympathy to all of you at this time of loss. Know that your dad made a difference in my life. Sincerely, Laurie Riggins
