“ *Our sincere sympathy to your family with the passing of Edith. I worked for Marshall when I was in high school and first knew Edith. Edith was in my class at BHS when I did my student teaching. As time passed I became acquainted with Wayde, Joe, Pam, John & Cindy and their families. I was blessed to have known such a kind, generous person. She raised a wonderful family.*

“ My sincere love and sympathy to the VanDeventer family. Eddy was a life-long special friend who will be greatly missed. I love the picture included in the obituary.... it shows the unique personality that we loved. She came from good, solid stock that was and is the backbone of the Dolan community. Her family was truly blest to have a mother who loved gathering her family at every opportunity - frequently..... a rarity in these days in which families are scattered. May God grant comfort in the days ahead when she will be so greatly missed. Sending much love,
