“ Grandma, I'm so sorry I was not able to be there as everyone said their last goodbyes to you on Wednesday. I'm not ready, nor will I ever be ready, to tell you goodbye. Your passing has left me with a huge ache in my heart, and I will miss you for the rest of my life... You were always there for me with an ear and an open heart, and I hold every single talk we ever had, every laugh we ever shared, and every memory ever made, close to my heart. I am grateful that God gave me my babies at such a young age, because HE knew how important it was for my babies to know and experience the amazing bond that I shared with you and Grandpa!

*All my love now and forever, your Jenny xxxoooo*
