“ We went to Edna's Celebration of Life Service today. First time either of us went to that kind of service. We really enjoyed listening to those who spoke.

Of course her children are the most special people in her life.

I just want everyone to know that from the first moment I met her she made me feel like part of the family. Special.

I don't know exactly how she accomplished that with all those she met.

Everyone should strive to be just a little bit like her.

I know I will.

Love you Edna. Hope to see you in Heaven one day. I know YOU are there....

“ Dear Keith & Family
I'm sending my love and condolences in the passing of Edye.
I'm sorry, only my health limits me to being mostly house bound. I
do have favorite stories, I could have shared with each and every
one of you.
Please accept my heart felt sympathy at this time.

Sadly missed,

“ Sincere Condolences to Edye's family. I have not seen her for a few
years but will always remember her and Keith. I first met them at the
bank but as the years went by we became friends and I was always
happy to see her. She will be missed.

Sincerely,

“ Edye was an important woman in my young life. She was funny,
adventurous, tough and sentimental. She was a really strong
mother figure. I am so sorry for this loss as I know her children and
her granddaughter and I know how much she means to them and
how enormous this loss is. Sending love and peace. - Christy Davis

Edye became my mentor, my very very special friend. She loved life
and lived with the exuberance of a child. She showed me courage,
strength, and most of all how important family and friends should be. I
have been blessed to have her in my life and now there is a part of my
heart that is torn. I love and miss you dearly my friend. Sending much
love to her wonderful family.
