“ I have so many memories of my favorite uncle!! I can't remember a time in my life that he wasn't there. When my dad passed away uncle Eddie called me everyday for about the next 2 yrs checking on me making sure I was ok and just letting me know he was there for me. He was a great man and it was an honor being his niece and growing up around him. He was also very funny and just a joy to be around. You knew it was going to be a good time when we went to his house. Good food and good family!! He has left a small whole in our family and we will always love, miss and cherish all the memories.

“ They took me in when I moved from Florida to Indiana and he gave me away at our wedding because my Dad wasn't there. I'm forever thankful for this family and truly appreciate the kindness they gave to me out of their unselfish hearts. My deepest sympathy for your loss. I love you all!

“ Ed and Barb were newly married and they lived in a tiny little apartment in North St Louis. I would ride to church with them regularly and spend the Sunday afternoons with them in that tiny place laughing, singing, eating, and just having fun with them. Although I was younger, I'm grateful that they treated me like a little sister, rather than a dumb little cousin tagging along in their newly married life!!! Both Ed and Barb were always laughing about SOMETHING. They helped me see the humor in whatever I was going thru and I'll always be grateful.

“ *I remember doing a final mow on his yard one November years ago and it was getting dark so we used the headlights on the truck to see then it started snowing real hard but we got his yard finished. Another job we did for him was mow a lot in Spencer ahat had weeds 6ft tall. We got it done. I will always remember him. Praying for the family.*
