

Edward J. George

August 1, 1954 - October 16, 2022

Edward J. George passed away October 16, 2022, at Bloomington Hospital with his loving family by his side. He was born August 1, 1954, in Gary, Indiana, the only child of the late Edward and Anna George. As a graduate of a four-year apprenticeship program, he excelled as an Industrial Electrician for over 45 years. He retired from General Electric and General Motors, where he made many friends.

He married Mary Ellen in 1991 and they lived in Bloomington for the past 31 years. He is survived by his caring wife, Mary Ellen, and his devoted daughters, Sara and Natalie. Other family includes his sister-in-law Pam (Jerry) and their children Eileen (Keith) and Jon (Katie), his brothers-in-law Brain and his son Evan, Doug (Amy), and his cousin Rosemary (Robert) and their children Jason and Jennifer.

Whether at work, out at the lake, or at many of the local coffee shops, Ed made fast friends with those around him. He especially enjoyed traveling to Florida on family vacations, sitting on the beach gazing at the ocean and watching the dolphins. Ed often said, "The man who dies with the most tools, wins" and there is no doubt that Ed was a valid contender in the race for collecting tools of many trades. He enjoyed spending time with his family and friends. He was a loving husband and father.

He was a member of St. Charles Borromeo parish, and his spirit is at rest with the Lord.

A Mass of Christian Burial will be held at 11:00 a.m. on Friday, October 21, 2022 at St. Charles Borromeo Catholic Church, 2222 East 3rd Street, Bloomington. Family will receive friends from 10:00 a.m. until the time of Mass. Allen Funeral Home and Crematory, 4155 South Old State Road 37, Bloomington, have been entrusted with arrangements. Online condolences, photos and memories may be shared with family and friends at www.allencare.com

“ Mary Ellen, Sara, Natalie —

If we but knew the words to assuage your hearts and ease the sorrow of your loss, we would utter them at once. Alas, we know not such words. All we can say is that we are stunned and saddened by Ed's passing. Our hearts and condolences go out to you all. May all the innumerable hosts of heaven envelop you in a caring and loving embrace and support you.

“ *Eric and I both worked at GM with Ed, I am a tradeswoman so Ed and I would have a lot of jobs together and would play argue over whether it was electrical or hydraulic. I loved that one day he noticed my umbrella and told me he noticed that I have many different umbrellas and asked why, I told him I was very OCD and I had to match them to my outfits, he laughed so hard! Ed was always respectful and kind to us, Eric thought a lot of him as well. He will be missed and we send lots of love and hugs to the family.....RIP my friend, Shannon*
