“ I only knew Ed for a short time but what i learned was that he loved life. His wife Suzy and his family were so important to him. He was always willing to help and share his tremendous wealth of knowledge. His smile and demeanor will be missed by all I am sure. God bless his family and give peace and strength to them.

“ I along with my brothers David and Mark Hall are deeply saddened with the passing of Ed. We grew up neighbors with his family on Maryknoll Drive. I remember his father tinkering with his Corvair Monza on the week ends prepping it for an upcoming road rally. Perhaps this is where Ed picked up his mechanical aptitude as he always shadowed his Dad when he was wrenching on his car. Always thought his Dad was Steve McQueen. He loved and protected his boys as I was scolded on numerous occasions for errant baseballs that would land too close to the then toddlers Ed and David .Ed and David stayed with us when Ed Senior passed and we held David's second birthday party during that sad time. I am happy that Ed loved and is loved and that he prospered for a life cut much too short. May the Lord comfort Ed's family and friends during this time of grieving. Prayers and deep sympathy: Tim Hall, Camdenton Missouri (If any of Ed's family is interested we have some old movies of Ed and David. Contact me at 414-349-3767)
