“ *To my family, I have no words that can help you through this unthinkable time. Just know that I love each and everyone one of you and that I will be there day or night all you have to do is call. When I think of Eli, I am reminded of him growing up, all the trouble we all got into and the laughs we shared. He was a brother to me and will always hold a spot in my heart as such. You are always in my thoughts and prayers.
I Love you all,

“ Randy, Connie, Ashley and Rosha,
I'm so sorry that you are experiencing such a horrible loss. I know that you guys really value family and that Eli will be missed greatly by so many people. It doesn't seem like that long ago that you welcomed me into your home and Ashley and I were always picking on and having fun teasing Eli. He was always there with a smile on his face and that is how I'll keep him in my memories. I can't imagine the grief you are all feeling. I'll keep you in my prayers.
Love in Christ,

Bethani Ramsay

I found this poem and thought of you, I hope that you can find some comfort in these words.

I'm Free

*Don't grieve for me; for now I'm free
I'm following the path God laid for me
I took his hand when I heard him call
I turned my back and left it all*

*I could not stay another day
to laugh, to love, to work or play
tasks left undone must stay that way
I found that place at the close of day*

*If my passing has left a void
then fill it with remembered joy
A friendship shared, a laugh, a kiss
Ah yes, these things, I to will miss*

*Be not burdened with times of sorrow
I wish you the sunshine of tomorrow
My life's been full, I savored much
good friends, good times, a loved one's touch*

*Perhaps my time seemed all too brief
don't lengthen it now with undue grief
Lift up your heart and share with me
God wanted me now, he sat me free*
