“ I always admired Bette's determination. I was her Y arthritis aquatics instructor about ten years ago. She would come in and do the class. It looked like it took great effort. After class she and Jerry would leave together - until the next class. We ran into each other again in July 2013 when my mother-in-law overlapped with Bette at Bell Trace. She was a kind and lovely person. May her memory be for a blessing.

“ We are deeply saddened to hear of Aunt Bette Jo's passing. I remember when she and Jerry came to stay with us when our parents went to Sweden. She was always kind and nurturing to us. We have lost a beautiful soul, but we take comfort in knowing that she is in a better place. Our hearts and prayers are with your family.

“ Mrs. Calkins was my son Louie's first grade teacher at Dyer. She made ceramic Christmas ornaments for her students and signed the back of each one. To this day, we hang that "Mrs. Claus" ornament every December and remember Mrs. Calkins, Now my son is 40 years old and has a 6-year-old son of his own.

*The good teacher is gone but not forgotten.

“ I'm so sorry to learn of Bette's passing. I treasure a hand crocheted baby blanket she made for my first child in 1980. It now is loved by my grandchildren.

Bette was a master teacher and as a colleague I learned a great deal from her.

“ Bette was a lovely lady and a wonderful teacher. My children Alex and Meredith Coffey had her as their first grade teacher. They loved Mrs. Calkins! When my daughter was in first grade Bette saw how advanced she was and she suggested moving her to third grade the next school year. She was very interested in my daughter's success in school and it was a good decision to move Meredith. I saw Bette several years ago at Redbud and I am so thankful I got the chance to tell her how much she meant to our family. She was a great teacher and we appreciated her so much. I am truly sorry for your loss. Your family is in my prayers.
