“ Ken and Jay, I was so sorry to read about your Mother's death...met her while I was on a cruise that went from New York to Nova Scotia...we were in a meeting on how to debark the ship and she sat right in front of me in this HUGE room!!!! I heard her mentioning Bloomington to her friend and lo and behold it was you Mom!!!! I invited her to party with my Scottish Society who also were on the cruise. She enjoyed it very much and we enjoyed her. She was a jewel, so glad I got to know her a little bit. I'm sure you will miss her a lot....Prayers and sympathies to your families.

*I truly enjoyed working with Betty. She was so graceful, honest and maintained a positive outlook. After retiring she called and asked me if I could take her on a grand tour of the plant one more time. Of course I did not hesitate.  
Her children, grandchildren, John and her family were her life. Betty always sported a million dollar smile along with her twinkling blue eyes. I am blessed to have walked the path of life with beautiful Betty.  
Heaven gained an angel. RIP my dear friend.*
