“ To Don, Donnie, Mary and Beth - I want you to know my heart and thoughts will be with you Saturday (as they have been since I heard of Nell's passing) as you celebrate the life of this talented and beautiful woman. She was a very special part of my growing-up years in Fountain City and I have always remembered all of you with love and thankfulness for having been part of your family too. To all of the children and great-grandchildren - Your grandmother was a great lady who treasured time with her family and friends. Her home and heart was always open for all of us whenever we needed her. I join all of you in honoring one of my mother's best friends and a very special woman in my life. Much love, Lynne Haworth Logel
