“ *Megan, Andy, Dick, Marilyn, Sherry,
When I close my eyes and see Eric I see a tall, vibrant man with a
very giving personality.
We had so many memorable experiences together from mushroom
hunting, geode hunting, swimming at the lake, playing cards,
darts..... the list goes on.
Such a loss. I am so sorry - My family will help keep Eric's spirit
alive by continuing to remember all the fun we had together.
I am glad he has peace.*

love, karen

“ *Dear Meaghan and Jeremy,*

*I'm sorry for your loss. I knew you and your folks for years when
living in Bloomington but have lost touch since. During that time
though we got to be good friends and I still miss him and those
great days.*

*Eric was a really great guy. He was kind, patient and
compassionate. I will always remember him with a smile for the
good times we shared. Life was better with him in the world.*
