“ *Wanted to send my thoughts and prayers. I only knew Dink for the last couple of years, since moving into building 41 at Crane. I would see Dink every morning and we would always say good morning to each other. We would always talk throughout the day about anything that would come to mind, he was always approachable. It hasn't been the same not seeing him at his bench working. He will/is missed. God Bless.*

“ *Cindy and Carrie,
My deepest sympathies are with you during this difficult time. I will keep you in my heart and prayers. Although the pain never seems to go away when we lose someone we love, over time it becomes easier to deal with.*

*Love,
Natalie*

“ Cindy, Carrie Lynn, Nora and Andy, We are so sorry for your loss. We will sure miss Dink. He always made me laugh. I remember at the golf scramble. He was so nervous about everything and he said he snapped at you Cindy. When you showed up that morning he sure was glad you were there and you two were so sweet. He felt bad he was grouchy. You two had a ride in the golf cart. I hope I can have a good marriage like that for I think he said 39 years. He was a great husband father and grandpa. You were all truly blessed. Love you all. “ I started my career at Crane in 2004 working in an area relatively close to Dink. He was very quick to make me feel comfortable and teach me many valuable lessons about how to pursue success here on base. I will forever be in Dink's debt for the help and friendship he provided me while I worked in Code 60. I offer my sincerest condolences to Dink's family.
