“ I grew up with Ethel in Martinsville and we both ended up living in Bloomington. She was always such a great person and she would help any1 that needed her. We went 2 school 2gether. I just can't believe she's really gone and that I had no idea she was sick I would have been there by her side if I had known. I'm crying tears of sadness 4 her passing and my heart goes out 2 her kids and her grandkids she loved them all very much. Ethel my dear sweet friend I will never 4get you.
