“ I have been deeply affected by the loss of my beautiful aunt,sister,friend and teacher
My heart aches that I cannot be there with all of you at this sorrowful time.
When we see her beautiful smile in her youth as I vividly remember her, we will all rejoice beyond all comprehension.
Our love for one another will be unlike anything we have ever experienced due to perfection and will go on forever.
My regrets are for your sorrow now and I share in them with all of you.
