“ I had the pleasure of working with Eyvonne at Bloomington Hospital for many years. We were a family back then, each of us committed in providing our community the excellent care and services they deserved. Eyvonne’s passion for assuring our patients and staff were nourished with healthy food was exemplary. I would always stop and talk with Eyvonne in the cafeteria.... Her laugh was contagious, her smile was genuine and her midwestern charm was much needed in a place where families often worried about their loved one’s health. Rest in peace, Eyvonne. I was blessed to experience your zest and love for life! Deb Wellman

“ Although I had not seen this sweet lady for some time I have wonderful memories of all the time we spent together in our younger years. She was a dear friend. I can just hear her laughter. I was blessed to have known her and shared time with her. My sincere sympathy to Mike and Greg. Your mother was so dear and was so very proud of her sons. Rest in peace PeeWee. ❤️🌸✝️

Mike, I am just now seeing this. I am so sorry for the loss of your mom. The smile in the picture captures her. She was the same everyday. I never saw her when she ever acted like she had a worry or that work was too stressful. (and I'm sure she had both like we all do) She was such a part of our hospital family as Deb Wellman alluded to. I will let my sister know. Mike Harding
