“ My mother, Loretta Person, was Miss Franny's roommate at Garden Villa starting in 2014. We remember their shared delight at birdwatching. Frances' kindness was crucial in helping my mother adjust to her new life. My husband, Jack, and I loved her cheery greetings and interest in what happened around the Villa and in everyone's life. We also have enjoyed meeting her family. We'll always remember her warm smile and greetings anytime we visited.
