

Fred Mitchell Thompson

November 3, 1962 - September 15, 2017

On September 15, 2017, we lost a great man due to a car accident. He is now resting in heaven with his mother Loretta Sue Thompson, his brother Tony Thompson, his grandson Jacob Parrish, and his granddaughter Natalie Parrish. During his life on earth he has touched many lives with his love, his laughter, and his word of God. He was the best dad a son or daughter could ask for, the most loyal and loving husband any wife could dream of, and the greatest grandfather any grandchild could ask for. He will be missed by his wife Jeri Lynn Thompson, his sons; Michael Alan Thompson Parrish and wife "Rachelle Parrish", Robert Mitchell Parrish and wife "Krissy Parrish", his daughters; Niki Thompson, and Whitney Thompson, his brother Alan Thompson, his sisters; Terri Silvers, and Suzette Ryan, his father Larry Thompson, his aunts, uncles, nieces, nephews, cousins, and his 9 grandchildren. He enjoyed ginseng hunting, fishing, and working on the vehicles with his sons, he loved having cookouts with his family, playing poker, watching football games, and playing with his dogs.

A Gathering to Celebrate Fred's life will be held Tuesday September 19, 2017 from 1:00PM until 3:00PM at Allen Funeral Home and Crematory 4155 South Old State Road 37. Family and friends are invited to come and pay their respects and see him one last time.

“ My favorite memories with my Dad are some of the many road trips we all took together. All of us kids and Jeri together and excited to get to wherever we were going, singing and laughing. I can hear you now singing "On the road again, I can't wait to get on the road again, I can't wait to see all my family and my friends, I can't wait to get on the road again"...

What I wouldn't give to have just one more road trip. To see your face in the rear view mirror smiling and singing.

There are so many things I'll never get the chance to say but the most important, I love you I can only pray that you knew that already.

“ Fred was like an uncle to me growing up. Our families were very close. Though we grew apart as many do during life I still loved him and Jerri Lynn wit niki mikey Robbie all of them. I saw Fred last year and it was like the years melted away. He gave me a big hug and showed so much love. He told me something that he thought I needed to know about a personal situation which I won't get into on here, but even after all these years he felt the need to express feelings of love and protection for me as a little girl. And that's exactly how it felt. Like I was a little girl again and Uncle Fred was coming to the rescue!! I never thought God would take him in this kind of way and I just hope his suffering was minimal. He was an old schooler from way back and he will be missed. To you kids... I just lost Mom in May. She lived way out in the boonies but we talked quite a bit on the phone. That being said, we weren't close like we should of been. I don't know how your feeling but if it's anything like I was and am, then I understand. I love you guys very much and I'm so sorry for your loss. Praying for peace during these difficult times.
