

## Gene Wilkinson

March 27, 1929 - December 4, 2013

Gene M. Wilkinson, 84, former resident of Bloomington, died December 4th at Advocate Condell Medical Center in Libertyville, Illinois.

He was the son of Andrew Wilkinson and Selma (Oemick) Wilkinson. He is survived by his loving wife of more than 60 years Lucy (Black) Wilkinson; 4 sons Brent Wilkinson, Steven (Diane) Wilkinson, Daniel (Teri) Wilkinson and James Wilkinson. Also surviving are 7 grandchildren, Blake Wilkinson, Lydia (Paul) Wesner, Sarah Wilkinson, Heidi Wilkinson, Christy (Luke) Ingram, Kirk Wilkinson and Kyle Wilkinson.

Gene was a graduate of Oklahoma State University receiving a B.S. in Industrial Engineering Management. He served honorably in the Army before starting his work career. He worked for United Airlines before joining Baxter Laboratories in 1963. He was elected as Vice President of Personnel for Baxter Laboratories in 1970 and also served as Assistant to the

CEO. He joined Combustion Engineering in 1979 where he completed his career as Vice President of Personnel Administration.

He will be remembered for his determination, his devotion to his family and his deep, abiding faith in his Savior.

Funeral Services will be held at Faith Lutheran Church at 11:00am on Monday December 9th. Memorial contributions may be given to Faith Lutheran Church in his name.
