“ My thoughts and prayers are with the entire Hatt family. Throughout our years at Edgewood, Geoff and I had many great experiences through all our band days. From band camp to school lunches at "The Spot", he was always good for a laugh when we were having a bad day. When I was a very awkward freshman, he came alongside me and helped me find my place. He was truly passionate about playing the drums, and he genuinely cared deeply for his friends. Though we drifted apart after high school, I always look back on our band days fondly. May the peace of God be with his wife and family during this difficult time.

“ *Dennis, Synda, and Jon-
My heart is deeply saddened to hear of the passing of Geoff. He was my high school sweetheart and brought so many firsts into my life. I can't drive through Ellettsville without seeing memories of him everywhere, from teaching me to drive, concerts, golfing, band and choir trips, Wee Willies, prom, and so many more. He will leave a light that will never stop shining. May you find comfort in this time of sorrow.
With Love,

“ *My love and prayers go out to the whole family. I did not have the opportunity to know Geoff that well, but I have a great admiration for Jon. We worked together in the COOK PSS Department and I appreciate his efforts as one of our COOK Medical First Responders. Jon is a hero in my eyes for being such a caring family man as well as giving service to others. May God be with you all during this time of incredible sorrow and I hope that it helps to know that your friends at PSS and the whole Safety Team are here to help and support you Jon, especially since you have been such wonderful support to all of us.*
