“ Brother George was a real good religious man he was a great preacher I remember December the 7th of last year was when I heard him preach last that's because I went to a different church because I didn't have a way but he's able to walk he don't have to worry about anything anymore and brother George we all will see you soon and we know as you are rejoicing at home and with your heavenly father above we will deeply miss you here on Earth but we do have the memories of you and you are in our hearts
